Honorable William H. Webster
Director of Central Intelligence
Washington, D. C. 20505

Dear Judge Webster:

Enclosed you will find a draft report entitled U.S. Counterintelligence and Security Concerns -- A Status Report -- Personnel and Information Security. This report is intended for release as an unclassified document and it is based, in part, on testimony received before the Oversight and Evaluation Subcommittee on May 18 and June 15, 1988. I appreciate very much the efforts of you and your staff in providing testimony and information for the record for these hearings.

I would appreciate it if the CIA would conduct a security review of the enclosed draft. Our intention is to release this report as soon as possible. In order to meet this schedule, I would like to request that the review be accomplished by September 27. The sections of particular interest to the Agency can be found at pages 27-31. Staff contacts for this report are Mr. Richard H. Giza (225-5657) and Mr. Bernard Toon (225-0788).

Thank you for your cooperation.

Sincerely,

Anthony C. Beilenson
Chairman, Subcommittee on Oversight
and Evaluation
